THAILAND

Campuses

Founded in January 1964

We have four campuses, which together cover about 3,490 acres (1,415 hectares).

- *Suan Sak campus* (main campus), lies about 5 km. west of the city center, this campus occupies a 615-acre (249-hectare) site.
- *Suan Dok, campus* occupies a 110-acre (45-hectare) site. This is the Health Sciences complex

Campuses

- *Mae Hea campus*, about 5 km south of the main campus, the 864-acre (350-hectare). It is home to the Faculties of Veterinary Medicine and Agro-Industry, and the Mea Hea Agricultural Research Station and Training Centre.
- *Lamphun Sri Bua Baan campus*. Located about 55 kilometres south of Chiang Mai on a 1,890-acre (765-hectare) site close to the Lamphun industrial centre, the Sri Bua Baan campus will provide additional training and research facilities with an emphasis on industrial management and efficient energy utilization.
